DERMO-CLEANSING
EMULGEL****80 ml / 2.70 fl.oz**

misula

**FOR EXTERNAL USE ONLY**

Cleansing emulsion developed for thorough yet delicate cleansing. An ideal daily treatment for all skin types, it does not deplete the hydrolipidic film. Chamomile and Red Vine extracts soothe and calm the skin, eliminating inflammation and irritation. Excellent for removing make-up, even waterproof, without attacking the skin. Also ideal for gently cleansing sensitive areas, such as eyes and lips.

DIRECTIONS: Apply product directly on the face, or using cotton wool, massaging delicately with circular movements. Rinse with cool water. In order to remove heavy make-up from the eye and lip areas, apply a small amount of product on a cotton wool and massage delicately. Remove any excess product with damp cotton wool, and then finish by rinsing thoroughly with cool water.

Emulsione detergente sviluppata per una accurata pulizia, ideale trattamento quotidiano per tutti i tipi di pelle. Non impoverisce il film idrolipidico, la presenza di estratti di Camomilla e Vite Rossa leniscono e calmano l'epidermide donando una piacevole sensazione di sollievo. Consente di rimuovere il make-up, anche waterproof, senza aggredire la pelle. Ideale anche per detergere zone sensibili, quali occhi e labbra.

Modalità di utilizzo: applicare il prodotto direttamente sul viso, o con l'ausilio di un batuffolo di cotone, massaggiando delicatamente con movimenti circolari. Al termine risciacquare il viso con acqua fresca. Per la zona occhi e labbra applicare una piccola quantità di prodotto su un batuffolo di cotone e detergere, asportare l'eccesso con una spugnetta o con un batuffolo di cotone inumidito.
