ESSENTIAL OILS

2 pc.

30 ml / 1.01 fl.oz

5.1 | thyme  
5.2 | basil

NANO MIST  
DIFFUSER

FOR EXTERNAL USE ONLY

The Mediterranean Herb Oil Toning Elixirs are formulas rich in functional substances capable of restoring the skin's hydrolipidic balance after cleansing, reducing the dilation of pores and moisturizing the skin. Formulated with Mediterranean essential oils from medicinal plants all local to the Mediterranean basin, the Toning Elixirs are to be used with the D3 Nano Mist Diffuser device.

**DIRECTIONS:** The MISULA® Mediterranean Herb Oil Toning Elixirs have been specially formulated to be micro-atomized and applied to the face using the MISULA® D3 Nano Mist Diffuser device. First, charge the device for about two hours using the micro USB cable supplied. A red light on the back will show that the device is charging, and it will turn off once the device is charged. Slide off the back cover and unplug the tank's rubber stopper. Fill the tank about 2/3 with water, being careful not to soak the device, as it is not waterproof. Select the desired MISULA® Mediterranean Herb Oil Toning Elixir, and use the container's dropper to add drops of the elixir to the water (about 7 drops). Close the tank securely and replace the back cover. Position the device approximately 15 cm from your face, close your eyes and relax your facial muscles. By sliding down the front cover, the device will automatically start to deliver the micro-particles, depositing them on your skin for 50 seconds. A blue led light will show that the device is on and working. You can repeat this procedure 2-3 times, being careful not to inhale the micro-particles and ensuring that your face, neck and décolleté have been thoroughly misted. Wait a minute or two and then proceed with applying the appropriate MISULA treatments. Once absorbed, the Mediterranean Herb Oil Toning Elixirs provide an ideal base for other serums, creams, or make-up. The device turns off after 60 seconds of use. A flashing blue light means that the device needs to be charged.

*Mediterranean Herb Oil Toning Elixirs sono formule ricche di sostanze funzionali, in grado di ripristinare l'equilibrio idrolipidico della pelle dopo la detergenza, ridurre la dilatazione dei pori ed idratare. Formulati con oli essenziali mediterranei. Gli Elixir Tonicanti sono da utilizzare con il dispositivo D3 Nano Mist Diffuser.*

**Modalità di utilizzo:** Mediterranean Herb Oil Toning Elixirs MISULA® sono stati appositamente formulati per essere micro-atomizzati ed erogati sulla pelle del viso con l'ausilio del dispositivo D3 (Nano Mist Diffuser). Per prima cosa, mettere in carica il dispositivo per circa due ore utilizzando il cavo USB in dotazione. Una spia rossa sul retro indica che il dispositivo si sta caricando. Una volta carico, la spia rossa si spegne. Aprire il coperchio posteriore e il tappo in gomma del serbatoio. Riempire quasi totalmente di acqua, tra M5.1 (Timo) o M5.2 (Basilico) che si desidera utilizzare. Il contenitore dei prodotti dispone di un contagocce, con il quale è possibile dosare correttamente l'olio, versare nel serbatoio alcune gocce di olio essenziale (da 2 a 7 gocce a seconda dell'intensità desiderata), richiudere il tappo e reinserire il coperchio posteriore. Tenere il dispositivo a circa 15 cm dal viso, chiudere gli occhi e rilassare i muscoli facciali. Spingendo in basso il coperchio frontale, il dispositivo inizierà automaticamente ad erogare le micro-particelle di oli essenziali per 50 secondi, facendole depositare sulla pelle del vostro viso. Una spia blu indica che il dispositivo è acceso e funzionante. È possibile ripetere l'operazione 2/3 volte evitando di inalare le micro-particelle erogate e assicurandosi che viso, collo e décolleté siano stati irrorati. Dopo l'utilizzo, attendere qualche minuto. Una volta assorbito, il prodotto diventa un'ottima base per applicare altre creme, sieri o trucchi. Il dispositivo si spegne dopo ogni 50 secondi d'utilizzo. Il led di colore blu lampeggiante indica che è necessario ricaricare il dispositivo.

OUR RAW MATERIALS ARE PURE, CERTIFIED BIOTECHNOLOGICAL OR PLANT-BASED ORIGIN AND ARE THE MOST INNOVATIVE AVAILABLE TODAY. ALL MISULA PRODUCTS COMPLY WITH THE MOST STRINGENT EUROPEAN SAFETY REGULATIONS, AND THEY ARE REGISTERED ON THE EUROPEAN COSMETIC PORTAL.

**WARNINGS:** This product contains essential oils, which can sensitize the skin. Verify that you are not sensitive to the product by applying a couple drops to a small patch of skin. Wait a few minutes and check that no adverse reaction occurs. In the event of inappropriate use or adverse reactions, wash the affected area thoroughly with water and consult a doctor if necessary.

**Avvertenze:** I prodotti contengono oli essenziali, che possono dare sensibilizzazione. Verificare la non sensibilità verso il prodotto applicandone qualche goccia su una piccola porzione di pelle. Attendere qualche minuto e osservare che non ci siano reazioni. Nel caso di uso inappropriato o di reazioni avverse, lavare accuratamente la parte trattata con acqua, e se necessario consultare il medico.

**M5.1 / Mediterranean Thyme Toning Elixir** 30 ml / 1.01 fl.oz

*La composizione di molecole vegetali contenute nell'olio essenziale di Timo è da sempre apprezzata per le sue caratteristiche dermopurificanti e seboequilibranti. Le sue micro-particelle donano immediata freschezza e idratazione alla pelle del viso, l'aroma pungente e vivace stimola il sistema nervoso centrale migliorando l'umore e calmando l'ansia.*

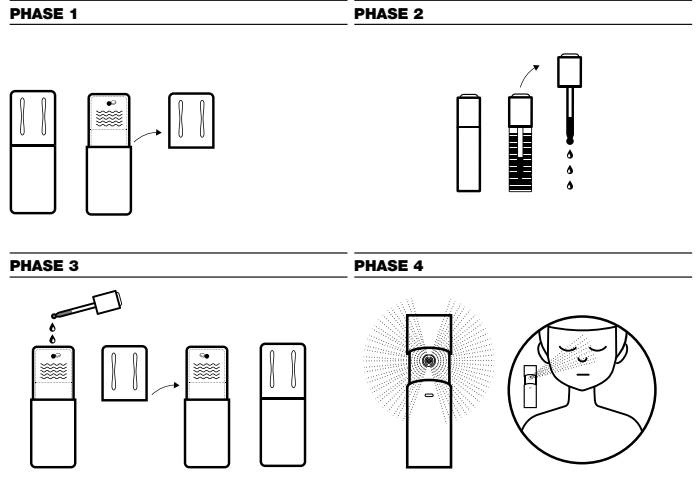

**INGREDIENTS (INCI/CTFA):** Aqua (Water), Heptyl Glucoside, Propylene Glycol, Phenoxyethanol, PEG-40 Hydrogenated Castor Oil, Thymus Vulgaris (Thyme) Flower/Leaf Oil, Polysorbate 20, Trideceth-9, Sodium Dehydroacetate, Ethylhexylglycerin, Limonene, Linalool

**M5.2 / Mediterranean Basil Toning Elixir** 30 ml / 1.01 fl.oz

Thyme provides instant freshness and moisture to the skin. Its purifying and sebum-balancing properties help minimize imperfections, and its fragrant and vibrant aroma stimulates the central nervous system, improving mood and calming anxiety.

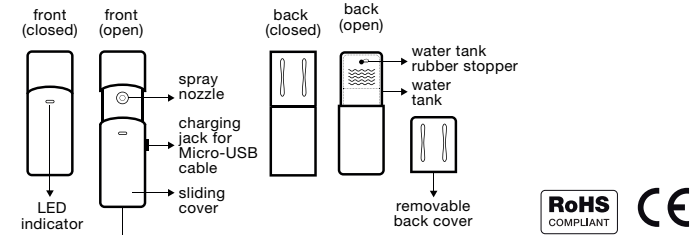

*Ottimo per proteggere la pelle in luoghi affollati e per profumare delicatamente il viso, il suo mix di molecole vegetali ha azione purificante. L'olio essenziale di Basilico ha un aroma tipicamente Mediterraneo che infonde energia e aiuta a riequilibrare gli stati di ansia e tensione.*

**INGREDIENTS (INCI/CTFA):** Aqua (Water), Heptyl Glucoside, Propylene Glycol, Phenoxyethanol, PEG-40 Hydrogenated Castor Oil, Ocimum Basilicum (Basil) Oil, Polysorbate 20, Trideceth-9, Sodium Dehydroacetate, Ethylhexylglycerin, Linalool, Eugenol

**D3 (NANO MIST DIFFUSER) TECHNICAL SPECS:**

Rechargeable: via Micro USB / Micro USB cable included / Operating current: 350±50mA / Max power: ≤1.8W  
Static power consumption: <70uA / Automatic safety shutdown after 50 sec. / Tank capacity: 9 ml / fl.oz

**WARNINGS (D3):** This device is not waterproof, so when you fill up the tank, ensure that no liquid spills over into the device, as this will lead to permanent damage of the components. We recommend filling the tank with water via a dropper. Clean the device with a soft, damp cloth, without using any chemicals or alcohol. Do not spray the mist into your eyes and do not inhale it. To avoid clogging caused by impurities, clean the nozzle with a cotton wool once a week. Do not dismantle or modify the device as this could cause product damage and circuit failure. Empty the tank if you do not intend to use the device for a long period. Refrain from using the product if you have sensitized skin, are allergic to essential oils, or if you have any pre-existing skin conditions. Stop using the device if you feel any discomfort or suffer from abnormal skin problems after use. This product is not designed to diagnose, treat, cure or prevent any disease or health condition and is to be used by healthy adults only, over the age of 18. We do not recommend that you use this product if you are pregnant or breastfeeding without first consulting your doctor. Misula Cosmetics assumes no liability for inaccuracies or misstatements about products.
