DEEP CLEANSING
FACIAL
SCRUB GEL

50 ml / 1.69 fl.oz

misula

FOR EXTERNAL USE ONLY

Light, refreshing gel to be used to cleanse the skin's surface. Suitable for cleansing normal or combination skin. The micro particles of the scrub come from olive stones and have a significant cleaning action, removing the external layer of dead epithelial cells and leaving skin looking fresh, polished and radiant. Plant extracts contain astringent and soothing properties whilst Betaine and Saccharide Isomerate leave skin soft and moisturised. Silver rounds off the cosmetic action of the gel with its purifying properties.

DIRECTIONS: apply gel on damp skin and massage for a few minutes with small, circular movements. Rinse with cool water.
Do not apply around the eye and lip areas.

Gel fresco e leggero con microgranuli ottenuti dai semi delle olive rimuove le impurità, donando alla pelle un aspetto nuovo, levigato e luminoso. Ricca di sostanze idratanti e di estratti vegetali che assicurano un'adeguata azione astringente e lenitiva, favorisce il naturale turnover epiteliale. Ideale trattamento quotidiano per pelli miste e grasse, da utilizzare come scrub delicato una volta alla settimana per pelli normali e secche.

Modalità di utilizzo: applicare il prodotto sulla pelle del viso inumidita e massaggiare per qualche minuto con piccoli movimenti circolari.
Risciacquare con acqua fresca. Non applicare sul contorno occhi e labbra.
