**DAY CREAM**

50 ml / 1.69 fl.oz

misula

FACE, NECK  
AND DÉCOLLETÉ

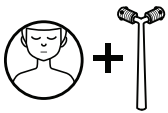

**FOR EXTERNAL USE ONLY**

Hydrating and protective day cream formulated for normal to combination skin without particular existing age-related damage, or for young skin. The formula is light-weight, non-greasy, and easily absorbed, with sunscreens that protect the skin from photo-aging, combined with plant extracts (Aloe, Blueberry, Pomegranate and Undaria Pinnatifida alga), all of which have strong antioxidant and anti-free radical actions. Deep hydration is ensured by Hyaluronic Acid, while a unique mix of Ginseng, Apple, Peach and Wheat extracts counteracts the effects of smog and pollution.

**DIRECTIONS:** In the morning, apply to cleansed skin on face, neck and décolleté, massaging until completely absorbed. We recommend using the **D4** device (Y-Roller Massager) for at least two minutes after using the cream. This product is also ideal for use under make-up.

*Crema giorno idratante e protettiva, formulata per pelli normali, miste e /o giovani. Dalla texture leggera non untuosa. Con filtri solari che proteggono la pelle dal foto-invecchiamento combinati con estratti vegetali (Aloe, Mirtillo, Melograno e alga Undaria Pinnatifida) dalla spiccata natura antiossidante e antiradicalica. L'azione idratante è assicurata dall'acido ialuronico, mentre un particolare mix di estratti di Ginseng, Mela, Pesca e Grano contrasta efficacemente gli effetti dello smog.*

**Modalità di utilizzo:** applicare su viso, collo e décolleté, precedentemente deterso, massaggiando fino a completo assorbimento. Consigliamo l'utilizzo del dispositivo **D4** (Y-Roller Massager) per almeno due minuti dopo l'utilizzo della crema. Il prodotto rappresenta anche una base ideale per il make-up.
