A light, non-oily emulsion with sunscreens designed to protect against photoaging. A blend of peptides and bilberry extract shields the skin from indoor and outdoor pollution, prevents oxidative stress, and enhances the skin's natural defense mechanisms.

DIRECTIONS: Apply to cleansed face in the morning, massaging until fully absorbed.

WARNINGS: Avoid contact with eyes, mucous membranes, and damaged skin. If irritation occurs, discontinue use. Store in a cool, dry place, keep out of reach of children. Do not ingest. FOR EXTERNAL USE ONLY.

Emulsione leggera e non untuosa con filtri solari per proteggere dal fotoinvecchiamento della pelle. Un mix di Peptidi ed estratto di Mirtillo offre protezione dall'inquinamento, sia indoor che outdoor, previene lo stress ossidativo e potenzia le autodifese della pelle.

Modalità di utilizzo: Applicare al mattino sul viso deterso, massaggiando fino a completo assorbimento.

Avvertenze: Evitare il contatto con occhi, mucose e cute lesa. In caso di irritazione sospendere il trattamento. Tenere in luogo fresco e asciutto, lontano dalla portata dei bambini. Non ingerire. SOLO PER USO ESTERNO.
