

A fresh, fast-absorbing serum with a high concentration of active ingredients known for their powerful sebum-regulating properties. Niacinamide, Icelandic lichen extract, and a blend of Enantia and Oleanolic Acid work together to regulate sebocyte differentiation and proliferation, helping to reduce the “shiny skin” effect.

DIRECTIONS: Apply to clean skin in the morning, massaging until fully absorbed. Wait a few minutes before applying your day cream. For combination and oily skin, it is also recommended for use in the evening before your night cream.

WARNINGS: Avoid contact with eyes, mucous membranes, and damaged skin. If irritation occurs, discontinue use. Store in a cool, dry place, keep out of reach of children. Do not ingest. FOR EXTERNAL USE ONLY.

Siero fresco e a rapido assorbimento, ad alto contenuto di principi attivi dalle spiccate caratteristiche sebo-normalizzanti: Niacinamide, Estratto di Biancospino e un blend di Enantia e acido oleanolico, agisce sulla regolazione della differenziazione e della proliferazione dei sebociti, riducendo l'effetto “pelle lucida”.

Modalità di utilizzo: Applicare al mattino su pelle deteresa, massaggiando fino a completo assorbimento. Attendere qualche minuto e applicare la crema giorno. Per pelli miste e grasse si consiglia l'uso anche la sera prima della crema notte.

Avvertenze: Evitare il contatto con occhi, mucose e cute lesa. In caso di irritazione sospendere il trattamento. Tenere in luogo fresco e asciutto, lontano dalla portata dei bambini. Non ingerire. SOLO PER USO ESTERNO.

30 ml / 1.01 fl.oz

INGREDIENTS (INCI/CTFA):

Aqua (Water), Methylpropanediol, Butylene glycol, Aloe barbadensis leaf juice, Ceratonia siliqua gum, Polysorbate 20, Saccharide isomerate, Phenoxyethanol, Glycerin, Propylene glycol, Niacinamide, Xanthan gum, Carbomer, Hamamelis virginiana (Witch hazel) leaf extract, Sodium benzoate, Crataegus oxyacantha extract, Sodium gluconate, Parfum (Fragrance), Enantia chlorantha bark extract, Glucose oxidase, Cetraria islandica extract, Sodium hydroxide, EDTA, Ethylhexylglycerin, Lactoferrin, Lactoperoxidase, Benzyl salicylate, Potassium thiocyanate, Linalool, Limonene, Ceramide AP, Hydrogenated polydecene, Alpha-isomethyl ionone, Glyceryl stearate, Potassium sorbate, Oleanolic acid, 1,2-Hexanediol, Ceramide EOP, Ceramide NP, Cetearyl alcohol, Cholesterol, Hydrogenated lecithin, Phytosphingosine, Stearic acid, Tetraacetylphytosphingosine, Glycosphingolipids.
