

R**3****INTENSIVE
MOISTURISING
REGENERATIVE
AND PROTECTIVE
DAY CREAM**

misula

50 ml / 1.69 fl.oz

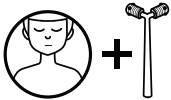

FOR EXTERNAL USE ONLY

Nourishing and firming day cream with powerful anti-free radical and antioxidant action, combined with sun filters to protect skin from photo-aging and damage, such as hyperpigmentation, wrinkles, and loss of tone. The rich, velvety texture contains the ideal supply of moisturizing and nutritional substances, such as Aloe and high molecular weight Hyaluronic Acid, as well as Argan oil and Dog Rose extract.

DIRECTIONS: Apply a small amount to cleansed skin. Massage delicately until completely absorbed. We highly recommend using the **D4** (Y-Roller Massager) for at least two minutes after applying the cream, in order to maximize the penetration of the product's active ingredients.

Crema giorno ad azione anti-radicalica e antiossidante, con filtri solari per una migliore protezione e un marcato effetto pro-ageing. Una texture ricca, morbida e confortevole, assicura alla pelle l'ideale apporto di sostanze idratanti (Aloe e Acido ialuronico ad alto peso molecolare) e nutritive (Argan e Rosa Canina).

Modalità di utilizzo: applicare sul viso deterso una piccola quantità di prodotto. Massaggiare delicatamente sino a completo assorbimento. Consigliamo l'utilizzo del dispositivo **D4** (Y-Roller Massager) per almeno due minuti dopo l'utilizzo della crema per migliorare la penetrazione dei principi funzionali.

50 ml / 1.69 fl.oz e
