

R**4****ACTIVE
NOURISHING
DERMA-RESTRUCTURING
OVERNIGHT BALM****50 ml / 1.69 fl.oz****FRAME®****FOR EXTERNAL USE ONLY**

Restorative emulsion that smooths fine lines and increases skin's elasticity. Macadamia, Jojoba and Coconut oils nourish the epidermis, while Centella asiatica, Horsetail, Tetrapeptide-21 and Tetrapeptide-30 tone and firm the skin. Vitamin E, Vitamin C and Pomegranate provide a powerful antioxidant action. Thanks to the presence of Tetrapeptide-21, the product evens out the complexion, improving skin discoloration.

DIRECTIONS: Apply to thoroughly cleansed skin at night. Massage delicately with small, circular movements until product is completely absorbed. We recommend applying the R5 Estreme Restorative Pro-Ageing Serum beforehand to maximize the Pro-Ageing action, firming skin and increasing elasticity.

Emulsione che lascia sulla pelle un effetto piacevolmente morbido e vellutato. Gli oli (Macadamia, Jojoba e Cocco) nutrono l'epidermide mentre gli altri principi attivi (Centella asiatica, Equiseto, Tetrapeptide-21 e Tetrapeptide-30) donano tono e turgore alla pelle. L'azione cosmetica viene completata da agenti antiossidanti (Vitamina E, Vitamina C e Melograno). Grazie alla presenza del Tetrapeptide-21, il prodotto uniforma il colorito anche in presenza di lievi discromie cutanee.

Modalità di utilizzo: applicare su viso deterso. Massaggiare con piccoli movimenti circolari fino al completo assorbimento. Si consiglia di far precedere l'applicazione dell'Estreme Restorative Pro-Ageing Serum (R5) per una miglior azione Pro-Ageing.

**50 ml / 1.69 fl.oz e**
